

Know and Understand the Risks

If you have any concerns or questions about the products you were sold, about this dispensary, or wish to speak with a representative concerning any aspect of medical marijuana, please call The State of Ohio Medical Marijuana Control Program Toll-Free Helpline at 1-833-4OH-MMCP (1-833-464-6627).

This product may cause impairment and may be habit-forming. Smoking medical marijuana is not permitted in the State of Ohio. There may be health risks associated with consumption of this product. This product should not be used by women who are pregnant or breastfeeding. This product is for use only by the person named on the label of the dispensed product. Keep out of reach of children. Marijuana can impair concentration, coordination and judgment. Do not operate a vehicle or machinery under the influence of this drug. Statements made regarding these products have not been evaluated by the Food and Drug Administration. The efficacy of these products has not been confirmed with FDA-approved research. These products are not intended to diagnose, treat, cure or prevent any disease. All information presented here is not meant as a substitute for or alternative to information from healthcare practitioners. Please consult your healthcare professional about potential interactions or other possible complications before using any product. Please consult your healthcare provider before making any healthcare decisions or for guidance about a specific medical condition. Duration and effects of cannabis products can vary by product and personal tolerance, please wait until individual effects are measured prior to taking additional doses.

Product Return Policy

Product Return Policy All customers and patients are encouraged to contact the ohioinfo@shopbotanist.com email regarding return inquiries for fastest service. However, guests are welcome to return to the store where they originally completed their purchase to process the return in-person if preferred but may incur longer wait times.

- Guests must be able to provide the original product label, dispensary receipt, and purchased item itself to be eligible for a return
- Purchase must have been within the last 14 days
- Mandatory or Voluntary recall
- Product that does not match the item stated on the purchase receipt
- The product is deemed “defective” per DCC
- Product was mislabeled by a cultivator or processor

Allowable Accessory Returns

- Defective devices \$20 and under can be exchanged for a new device (the same device).
EX: AVD Seed, Silo, C-Cell Luster, Aiopro
- Defective devices over \$20, we cannot do an exchange and must contact the manufacturer.
